Special Skills

I love to hike, skate, play with my dog. I speak beginning Spanish and sing Soprano. I am a filmmaker on TikTok and a big fan of Alfred Hitchcock.

**If you list a special skill, be sure you are able to perform on demand. For example if you know a second language be able to have a basic conversation, if you tap dance have a short routine memorized. Let us know some things that are unique about you. You do not need to list every sport you play, just the ones you LOVE. Have fun writing your special skills and we'll have fun reading them. We want to know you.*

(Coach Katie says ~ Don't be stressed if you don't have a lot. Everyone has to start somewhere!)
